Re: The Conference on Jewish Material Claims against Germany

Dear Sir,

I am writing to you on behalf of The Movement for Quality Government in Israel (hereinafter referred to as "The Movement"), as follows:

1. We have not yet received your response to our letter of May 27th concerning the conduct of the Jewish Material Claims against Germany (a copy of our letter is attached).
2. As mentioned in our letter, the Movement strongly believes that the recent data and allegations merit an audit of the affairs of the Claims Conference by the Bundesrechnungshof, in order to ensure the proper functioning of the Claims Conference mechanism as soon as possible.
3. We therefore repeat our request for the Bundesrechnungshof's decision regarding our abovementioned request.

Your attention regarding this matter is greatly appreciated.

Sincerely Yours,

Efi Sullam

Director General
